**Confidential and Proprietary** 

## The Power of Aggregation

Where can we create value for suppliers to share with members?

Value is created when a group can align – one agent representing the group to suppliers.

Ability to accommodate broad diversity.

At what cost?

### **Ownership Matters**

Members create a cooperative to serve their needs

Ownership

Governance

Trust

Accountability

### **Ownership Structure - Stores**

**Confidential and Proprietary** 

### **Ownership Structure – Association (NCG)**

You Are the Co-op Difference
